### Francisville Workforce Housing RFP

1. Is sales housing a preference on the part of the PRA or is it mandated? If it is a preference, rather than a mandate, would a mix of sales and rentals be found acceptable? In the evaluation and selection process, will priority be given to proposals in which all units are sales housing?
  - Although it is not mandated, preference will be given to the proposals that develop the units for sale and target the market of 80%-100% AMI.
  
2. Does the PRA object to a respondent making contact with the community organization?
  - The PRA does not object to a respondent making contact with the community organization.
